DUNDONALD Highland Games

Chieftain Nomination Form

Do you know someone in the Dundonald community who would be a great ambassador for Dundonald Highland Games? If so, please complete this nomination form and return to Louise McCartan, 55 Main Street by **Friday 9 March 2018**.

Our Chieftain should be an upstanding member of the community who goes above and beyond on a voluntary basis to give back to the community of Dundonald, where nothing is too much trouble.

Some of the key attributes we look for when choosing a Chieftain is their community work, personality, social skills and length of time in village.

Each nomination form will be scored on the above and our new 2018 Chieftain will be appointed during the month of March.

Thank you for taking the time to nominate.
